Quarterback Joe Fraley threw five touchdown passes covering 79, 12, 45, 10 and 90 yards Friday night at Appomattox defeated non-district Buckingham 48-0.

As usual, Fraley's favorite targets were Terry Woods and Darrell Schrock as these three prime candidates for All-District honors teamed up to score the first five Appomattox touchdowns. Andrew Kelso led the Raiders in rushing with 96 yards on 16 carries. Kelso and Rixey also added touchdowns in the final quarter on 1 yard plunges. Freddy Mitchell kicked six of seven extra point attempts.

The Raiders had 367 yards total offense with 266 yards passing and 101 yards rushing.

Raiders Host Lancers Friday Night

In their final regular season game the Raiders will meet the Lancers of Amherst County Friday night in Bragg Stadium.

A.C.H.S. Athletic Director, Jerry Robinson, says he expects a large crowd and fans should come early to get a good seat.

The Raiders would like to noteh their ninth victory of the season and keep the momentum right on into the regionals, however Kenny Dixon and company are looking for their eighth win and would like nothing better than to knock off the Raiders.

Should be quite a contest.

Take a bow GEORGE
OR, when WASHINGTON crossed the DELAWARE he laughed all the way to the banks

What George wanted to do was cross the Delaware on Christmas morning, surprise the British, and secure a badly needed victory.

What he needed was boats. Specially designed boats that could hold fifteen tons of men and artillery. That could move in either direction. Boats that had a draft of not more than 20 inches.

Happily, Robert Durham, a new American, had already designed and built them.

And other new Americans invested their cash to buy them.

And Washington sailed into a victory that turned the tide of the Revolution.

Today, millions of Americans can invest in America and come out winning, too.
